

Greenhouse Manager

Full-Time Position

We are looking for an individual who possesses management skills, is highly motivated, and is a people person. The job will focus on managing a team that will oversee our retail greenhouse as well as our outdoor annual selling and display areas.

The job will require scheduling a crew, overseeing greenhouse cleanliness and organization, maintaining and creating displays, handling customer questions and complaints, purchasing products/plants and working with other departments on various tasks. Overseeing the lawn and garden category will also be a task for this position.

The applicant for this job must have previous management skills. Previous knowledge in the care and maintenance of plants is a plus. It is also important for this applicant to have the ability to problem solve and quickly create solutions to everyday issues that arise in the retail environment. A degree in either management or horticulture is a plus, but previous experience in retail management is necessary.
